A small rural campground, located just 5km from Picture Butte, Alberta and 20 minutes from Lethbridge, Alberta. Countryside is bordered by prairie farmland to the North, East and South; and across the road to the West, the Picture Butte Golf Club. Started in 2005, when approximately 4.5 acres were subdivided from an adjacent grain field to create the base for this little oasis. The current owners, Judy & Greg, have embraced the challenge of transforming this diamond in the rough, by making small improvements each and every year. We welcome you to come and experience what we have to offer, and enjoy the quiet, peaceful country lifestyle.
